CenterPoint Energy Residential Rebate Program

Refer to the information below to ensure you are eligible for CenterPoint's Residential Rebate Program. To determine your eligibility, email SaveEnergy@CenterPointEnergy.com or call **866-240-8476** to reach a program representative. The program may be managed by a third-party "Program Administrator" and/or "Program Implementer."

Rebate offer

This offer provides rebates for the purchase of new, installed qualifying products and is not dependent on the purchase of any other product or service unless indicated. One application must be completed for each address in which the product or products are installed. The CenterPoint rebate cannot exceed the cost of the equipment or service. Equipment must be purchased, installed and operational between Jan. 1, 2026, and Dec. 31, 2026. CenterPoint reserves the right to alter or discontinue the rebate offers at any time without notice. Rebate funds are limited and are available on a first-come, first-served basis.

Payment

Please allow up to six (6) weeks to receive your rebate. Incomplete rebate applications will cause a delay in processing. Rebate to be issued to CenterPoint customer/account holder, property owner or contractor if the customer has selected the instant discount option.

Compliance

All projects must comply with applicable federal, state and local laws and regulations, including building codes, and manufacturers' specifications. All equipment must be purchased new and cannot be resale equipment, new parts installed in existing equipment or equipment that is leased, rebuilt, rented, replaced by a warranty or won as a prize. Existing equipment must be removed or permanently disconnected.

Verification

CenterPoint reserves the right to verify sales receipts and/or installations. An inspection may be conducted to verify installations. Making false statements on any CenterPoint rebate application is punishable by law. Any and all funds determined, in CenterPoint's sole discretion, to have been acquired on the basis of fraudulent or misrepresented information must be returned to CenterPoint. CenterPoint reserves the right to refuse payment and participation if the signatory(ies), applicant(s), customer(s) or contractor(s) violate program rules or procedures.

Application delivery

A complete, signed application, itemized invoice for equipment and labor, and, if applicable, additional supporting documentation must be submitted at the address located on the application within sixty (60) days of project completion, depending on the project classification. The invoice(s) must indicate the date of purchase, size, type, make, model and total project cost. Receipt of an application does not guarantee payment of a rebate. CenterPoint is not responsible for items lost or damaged in the mail. CenterPoint will pay only one rebate for each eligible product installed. Failure to provide supporting documentation will be considered an incomplete application. Please keep a copy of your application and supporting documentation for your records.

Terms and conditions, continued

Tax information

Rebates may be subject to federal and/or state income tax reporting. Applicant is responsible for contacting a qualified tax advisor to determine tax liability. If you purchase an energy-efficient product for your home/business, you may be eligible for a federal tax credit. Visit [EnergyStar.gov/TaxCredits](https://www.energystar.gov/TaxCredits) for more information. CenterPoint is not responsible for any tax liability imposed on the customer as a result of the payment of incentives.

Customer information

CenterPoint reserves the right to disclose your account number, federal tax ID or Social Security number and consumption data to its subcontractors for the sole purpose of administering CenterPoint's program. Subcontractors are contractually obligated to protect the confidentiality of this information.

Logo use

Customers or contractors may not use the CenterPoint program name or logo in any marketing, advertising or promotional material without written permission.

Publicity

CenterPoint reserves the right to publicize your participation in this program, unless you specifically request otherwise.

Disclaimer

CenterPoint does not guarantee that energy efficiency measures purchased and installed or services provided through this program will result in energy and cost savings. CenterPoint reserves the right to deny or limit any rebate request. In addition, no warranties on product or service installations are provided by CenterPoint, nor does the program warranty guarantee or endorse the energy efficiency services provided by any specific contractor participating in the program. Program modifications

CenterPoint reserves the right to alter or discontinue this program or related rebates at any time without notice.

Indemnification

Signatory(ies) and applicant(s) shall indemnify CenterPoint, the Program Administrator, and the Program Implementer, their respective affiliates, subsidiaries, parent companies, officers, directors, agents and employees against any and all losses, damages, expenses, fees, costs and liability arising from any design, consulting, product, system, equipment or appliance, in connection with the program.

Governing law/jurisdiction

This Agreement shall be governed by the laws of the State of Indiana. Any disputes arising out of or related to these Terms & Conditions shall be resolved in Vanderburgh County.

Eligibility

The rebates associated with CenterPoint's residential programs are available to single-family residential homes or multi-family residential dwellings of 12 units or less with natural gas or electric service located in CenterPoint's Indiana service territory. A complete, signed application, itemized invoice for equipment and labor, and if applicable, the AHRI Certificate of Product Ratings or AHRI Certificate Number must be submitted at the address located on the application within 60 days of project completion.

- General eligibility for natural gas rebates: To be eligible to participate in residential natural gas programs, applicants must use natural gas for all equipment installed and a furnace or boiler must be the primary heat source for the home's living space. Dual-fuel systems are not eligible. Boilers must have a modulating burner and include an outdoor air temperature reset control. Chimney liners must be installed where an atmospherically drafted appliance remains in the existing chimney after a sealed combustion unit has been installed. A sealed combustion unit must provide combustion air from outside the home. Installers must also complete the flue closure protocol when a sealed combustion unit has been installed.
- General eligibility for residential electric HVAC rebates: To be eligible to participate in residential electric HVAC programs, applicants must be a CenterPoint Delivery of Indiana electric residential customer and the location of the installed equipment must have CenterPoint residential electric service.
