2026 Indiana residential **tune-up rebate application**

CenterPoint Energy

Earn $25 to $50 in rebates for your HVAC tune-up.

Applying is easy.

Complete the application on the back and submit it along with your contractor invoice within 60 days of installation. Applications may be submitted in one of four ways:

Email: INRebates@CenterPointEnergy.com
Please include all invoices as email attachments.

Mail: CenterPoint Energy, ATTN: Rebates, 16350 Felton Rd., Lansing, MI 48906

Online: CenterPointEnergy.com/SmartSavings

Fax: 866-741-5584

Once you have submitted your completed application, you should receive your rebate check within six weeks. Be sure to provide all required information, as missing details may result in processing delays.

Scan for more info.

Rebate requirements

- Rebate is available once every 24 months.
- Furnace tune-up must include the following: ensure thermostat is working properly (pre and post); clean safety controls (adjust as needed); clean burners and controls; clean pilot assembly and ensure proper function; adjust burner for efficiency; ensure belts, filter and flue are clean/intact with no blockages; lubricate any moving parts; verify no gas leaks present; ensure dampers are in heating position; check overall performance and efficiency of system.
- Tune-up cannot be claimed at the time of installation of new HVAC.
- A/C and air source heat pump tune-up must include the following: ensure thermostat is working properly (pre and post); check voltage and amps to all motors; verify refrigerant charge and add as needed; lubricate all moving parts; check belts, filters, wiring and connections; ensure condensate drain is open; ensure dampers are in cooling position; check overall performance and efficiency of system.
